1. REPORT PURPOSE

The report is an overview of Animal Management practices and statistical information pursuant to s10A of the Dog Control Act 1996 relating to the 2022 / 2023 financial year. This report is required to be adopted by Council and publicly notified before a copy is sent to the Secretary for Local Government.

- The statistical information is attached as Annex A.
- The information document that outlines what your registration pays for is attached as Annex B.
- The full text relating to section 10A of the Act is included in the Report for reference as Annex C.
- Council's Dog Control Policy is attached as Annex D.

3. DRAFT RECOMMENDATION

That Council adopts the Buller District Council Annual Report on Dog Control Policy and Practices for the 2022/2023 financial year.

4. BACKGROUND

Practices s10A(1)(b)

The *Dog Control Policy* and the supporting Bylaw are enforcement tools for ensuring that the legislation is complied with. Day to day dog control is enforced in accordance with the graduated response model and only in the event of continued non-compliance or sufficiently serious matters are infringement notices or prosecution options pursued.

The majority of the district's dog owners are responsible and compliant. Animal Control Officers have focused on educating the non-compliant owners and while this is more time consuming, we generally achieve a positive result.

An outline of the dog control activities undertaken by Animal Control Officers, entitled "*What Your [Dog] Registration Pays For*" is attached as Annex B. This document is used as an educational tool for dog owners.

4.1 Public Education and Information

Current activities include recognition for dog owners displaying positive behaviour and provision of information about responsible dog ownership. We continue to offer education visits to schools and local organisations.

Animal Management continue to work with DAWGS who are a non-profit organisation operating in the Buller District. They are financed via local fundraising initiatives and have assisted by covering the cost to spay or neuter impounded dogs so that they may be suitable for rehoming.

We continue to have success using social media as a communication platform for consistent messaging. Our communication includes dogs available for adoption, advising owners of registration dates and our dog socialisation group. We have huge success in matching lost dogs with their owners through our Animal Management Facebook page. One negative aspect with the increased use of social media are the negative and often ill-informed comments from some individuals in the community. This has seen staff personally singled out and criticised and the impact to the staff involved is significant.

Animal Control continues to run a Dog Socialisation Group that meets several times each week at the Westport Domain (mostly over summer months). The group is designed to get dogs socialised and owners educated in dog behaviours and relevant law. This has turned out to be very popular and has received positive feedback from participants. We offer a free microchipping service to owners who attend this group. Last year we introduced a working dog rate for dogs used primarily or exclusively for stock work. This has received positive feedback from the rural sector.

The Animal Management Team are currently investigating possibilities and options for a dog park in Westport. The identification of a suitable site is proving difficult and consideration must also be given to the placement of the proposed floodwall.

Animal Management will be holding another Mutt dog show in 2024, as part of the annual A & P show. This event is always very popular and positive. Classes such as the obstacle course always attract a big crowd.

ANNEX D – POLICY s10A(1)(a)

Council has a *Dog Control Policy* adopted under section 10 of the Act.

This Policy was originally adopted in 1997 and was reviewed and reaffirmed in August 2004. Provisions relating to enforcement procedures and neutering of classified menacing dogs were added to the Policy in 2006. In 2010 all of Council's policies relating to dog control were combined into one document under the title *Dog Control Policy*. This incorporated the *Spay/Neuter Reduction and Unclaimed Dogs Destruction Fee Policy* into the *Dog Control Policy*.

The Policy identifies dog control areas and places restrictions and requirements on dog owners regarding:

- Prohibited dog areas
- Leash control areas
- Dog exercise areas
- Conservation prohibited areas
- Menacing dogs

The Policy also contains provisions relating to the issue of infringement notices, delegations and procedures for the return of roaming dogs.

Section 10 of the Act also requires territorial authorities to give effect to their policies on dogs by "*making the necessary bylaws*".

Council has made the *Control of Dogs Bylaw*, which has been adopted from *NZS 9201 Part 12:1999* (the Model General Bylaw produced by Standards New Zealand), with local amendments based on the Policy.

The Bylaw was reviewed and reaffirmed, under section 158 of the Local Government Act 2002, on 10 June 2008. It is currently due for review, pursuant to section 159 of the Local Government Act 2002.
